STATE WORKFORCE INNOVATION BOARD
AGENDA ACTION REPORT

MEETING March 28, 2017 – Education & Training Committee

ITEM IT Programs Inventory

ACTION REQUESTED No Action Requested

PRESENTED BY Erik Rose
Deputy Commissioner John Cech

INFORMATION This report out from the Montana University System will give an update on the work of conducting an inventory of the IT programs offered within the Montana University System.

MOTION N/A

SYNOPSIS The Governor's Main Street Main Street Montana Project's Innovation & Technology KIN recommended that the State of Montana work to provide an inventory of programs available for IT training.

The Montana University System's report to the Education & Training Committee will discuss the work that the University System is doing to inventory IT training programs and what is being done collaboratively with other agencies to create a comprehensive inventory.
